

Placeholder & Missing-Information Audit

Silver Sand Beach Homestay

Generated: 25 August 2026

Scope: All `src/` `pages/components`, `scripts/seed.ts`, `SEO/JSON-LD` layers, cross-referenced against `docs/BUSINESS_INFO.md`.

Image inventory: Zero image files exist anywhere in the repo (`public/` is empty; no `.jpg`, `.png`, `.webp`, or `.svg` assets).

Phone/WhatsApp cross-check: `src/lib/business.ts` (`+91 99862 22892`, `+919986222892`, `wa.me/919986222892`) matches `BUSINESS_INFO.md` confirmed values. **No mismatches found.**

Lorem ipsum: None in production `src/` components.

File	Line(s)	Placeholder / pending content	Element
<code>src/components/sections/property-intro-section.tsx</code>	30–32	Bed layout, bathroom details, and amenity list are pending the owner's confirmation...	Body copy
<code>src/components/sections/property-intro-section.tsx</code>	34–36	Pending owner confirmation → Bed count, bathroom layout, and AC coverage for 6–8 sharing are not published yet (checklist #3).	TodoNotice (checklist #3)
<code>src/components/sections/room-pricing-section.tsx</code>	21	Rates are set by the owner and shown here when published — not estimated or rounded.	Body copy (rates unpublished)
<code>src/components/marketing/occupancy-pricing.tsx</code>	11–21	Pending owner confirmation → Nightly rates for 2 / 3 / 4 / 6 / 8 sharing are not published yet...	TodoNotice (checklist #12)
<code>src/components/sections/photos-section.tsx</code>	26–28	Owner-supplied photographs will appear here. These placeholders will be replaced...	Section intro
<code>src/components/sections/photos-section.tsx</code>	32–35	PhotoFrame — alt: ...photograph pending from the owner; caption: Exterior — pending owner photos (#2)	Empty dashed frame (checklist #2)
<code>src/components/sections/photos-section.tsx</code>	37–40	PhotoFrame — Deluxe AC Room — pending (#2)	Empty dashed frame
<code>src/components/sections/photos-section.tsx</code>	42–45	PhotoFrame — Bathroom — pending (#2)	Empty dashed frame
<code>src/components/sections/photos-section.tsx</code>	48	TODO: Owner input required (checklist #2 in docs/BUSINESS_INFO.md).	TodoNotice (default todoMessage)
<code>src/components/ui/photo-frame.tsx</code>	22–33	Dashed border box, <code>role="img"</code> , no <code></code>	Shared placeholder component
<code>src/components/sections/about-section.tsx</code>	40–42	The host's name, languages spoken, and the family story will be added here once the owner confirms them.	Body copy (hidden in compact mode on home)

src/components/sections/about-section.tsx	46–48	Host name(s) and languages spoken are not yet confirmed (checklist #20).	TodoNotice (checklist #20)
src/components/sections/murudeshwar-info-section.tsx	38–39	Renders murudeshwarContext.beach (see site-content.ts)	Card copy
src/components/sections/murudeshwar-info-section.tsx	44–46	We have not published the walking or driving distance... (checklist #8).	TodoNotice (checklist #8)
src/components/sections/nearby-attractions-section.tsx	18–20	distances from our homestay will be added once the owner shares a confirmed map pin.	Section intro
src/components/sections/faq-section.tsx	60–62	Extra bed rate will appear here when the owner publishes pricing (checklist #12–#13).	TodoNotice when rates unpublished
src/components/sections/faq-section.tsx	67–76	Four pending FAQ cards (see Pending FAQ table)	TodoNotice per card
src/lib/seo/faqs.ts	18	Advance payment terms are set by the owner and will be published here once confirmed.	Answered FAQ (partially pending #5)
src/lib/seo/faqs.ts	34	If your group is 5 or 7, WhatsApp us — the owner will confirm...	Answered FAQ (guest-count rules #14 unresolved)
src/components/sections/map-section.tsx	31–33	We have not published a street address or a precise map pin...	Body copy
src/components/sections/map-section.tsx	37–38	Map embed pending — owner needs to confirm the street address and coordinates (checklist #1, #11).	Dashed map placeholder box
src/components/sections/map-section.tsx	41–43	A confirmed map pin is required before we embed a map... (checklist #11).	TodoNotice (checklist #11)
src/components/booking/booking-widget-form.tsx	417–421	Rates are not published yet. Message us on WhatsApp for today's price — we do not show a fallback rupee amount.	Booking widget results box
src/lib/seo/json-ld.ts	112–117	PostalAddress with only Murudeshwar / Karnataka / IN — no street, PIN, or GeoCoordinates	Site-wide JSON-LD (via layout)

/rooms — Rooms listing

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/rooms/page.tsx	19	Rates come directly from the owner when published.	Hero description
src/components/sections/rooms-list-section.tsx	23–26	One extra bed can be added when the owner confirms... Bed layout and full amenity list are pending owner confirmation.	Card description
src/components/marketing/occupancy-pricing.tsx	11–21	Same unpublished-rates TodoNotice as home	TodoNotice (#12)

/rooms/deluxe-ac-room — Deluxe AC Room

File	Line(s)	Placeholder / pending content	Element
src/components/sections/room-page-hero.tsx	28–30	An extra bed can be added... when available; the current rate is set by the owner and visible in the widget when published.	Hero copy
src/components/sections/room-layout-section.tsx	26–28	Bed count, bathroom layout, and maximum extra beds... (checklist #3).	TodoNotice (#3)
src/components/marketing/occupancy-pricing.tsx	11–21 / 65	Unpublished: TodoNotice (#12). When published: extra bed shows (per night — confirm with owner)	Pricing table
src/components/sections/photos-section.tsx	26–48	Full photos section (same as home)	3× PhotoFrame + TodoNotice (#2)
src/components/booking/booking-widget-form.tsx	417–421	Unpublished-rates message in widget	Booking widget
src/lib/seo/copy.ts	31	Meta: Extra bed available when offered.	meta description

/gallery

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/gallery/page.tsx	19	Real photographs from the owner will appear here. We do not use stock villa images or OTA scrapes.	Hero description
src/components/sections/photos-section.tsx	26–48	Entire photos section (3 empty frames + TodoNotice)	Same as home
src/lib/seo/copy.ts	36	Meta: Placeholders until the owner provides them.	meta description

/about

File	Line(s)	Placeholder / pending content	Element
src/components/sections/about-section.tsx	40–42	The host's name, languages spoken, and the family story will be added here once the owner confirms them.	Body copy (full mode)
src/components/sections/about-section.tsx	46–48	Host name(s) and languages spoken... (checklist #20).	TodoNotice (#20 / languages)
src/app/(public)/about/page.tsx	32–34	Meals policy... not yet confirmed (checklist #16). Do not assume breakfast is offered...	TodoNotice (#16)
src/app/(public)/about/page.tsx	36–38	House rules including check-in/out times, ID requirements, and cancellation policy... (checklist #21).	TodoNotice (#21)

/location

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/location/page.tsx	25	Street address and map pin will be added when the owner confirms them.	Hero description
src/app/(public)/location/page.tsx	42–44	We have not published walking or driving times from our homestay...	Body copy
src/app/(public)/location/page.tsx	46–48	Full street address is not yet confirmed (checklist #1).	TodoNotice (#1)
src/app/(public)/location/page.tsx	50–52	Distances to the beach, temple, bus stand... (checklist #8).	TodoNotice (#8)
src/components/sections/map-section.tsx	31–43	Map placeholder box + TodoNotice (#1, #11)	Map section
src/components/sections/murudeshwar-info-section.tsx	44–46	Landmark-distance TodoNotice (#8)	Section
src/components/sections/nearby-attractions-section.tsx	18–20	Distances pending map pin	Section intro
src/lib/seo/copy.ts	46	Meta: Street address and map pin will be added when confirmed.	meta description

/contact

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/contact/page.tsx	36–38	Full postal address and map pin are not published yet (checklist #1, #11).	TodoNotice (#1, #11)
src/app/(public)/contact/page.tsx	41–45	Once we have a confirmed address, directions will appear on the Location page.	Body copy

/privacy

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/privacy/page.tsx	31–32	Full policy text will be expanded before public launch if required by the owner's counsel.	Provisional legal copy

/terms — Booking terms

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/terms/page.tsx	26–29	Prices on this website are estimates until the owner confirms... House rules, check-in times, and cancellation terms will be published here once the owner provides them.	Provisional terms copy

src/lib/seo/copy.ts	61	Meta: house rules once the owner publishes them	meta description
---------------------	----	---	------------------

/style-guide (noindex dev page)

File	Line(s)	Placeholder / pending content	Element
src/app/(public)/style-guide/page.tsx	202	PhotoFrame alt: Specimen empty photo frame — no property photograph yet	Design specimen
src/app/(public)/style-guide/page.tsx	214–216	Until the owner publishes rates, the results box stays enquire-only with no rupee fallback.	Documentation copy
src/app/(public)/style-guide/page.tsx	155	Input placeholder="2 sharing"	UI placeholder attribute

/admin and /admin/login

File	Line(s)	Placeholder / pending content	Element
src/components/admin/pricing-dashboard.tsx	255	Rates not yet saved. Saving will publish them to the public site.	Admin empty state
scripts/seed.ts	38–39	extraBedRateInr: 500 (per-night unit unconfirmed); isPublished: false; no occupancy rates seeded	DB seed

Global (all public pages)

File	Line(s)	Placeholder / pending content	Appears on
src/components/site-footer.tsx	21	Full address pending — see Location or Contact.	Every public page
src/components/booking/booking-widget-form.tsx	417–421	Unpublished-rates WhatsApp message	Home, room page, style guide
src/app/(public)/layout.tsx	16–17	lodgingBusinessJsonLd — partial address, no geo/image/offers when unpublished	All public pages
src/app/opengraph-image.tsx	8–9	Replace with a real owner photo once one exists.	Social share preview
src/app/twitter-image.tsx	1	Re-exports opengraph-image	Twitter card
src/lib/seo/metadata.ts	7	url: "/opengraph-image"	OG/Twitter meta
src/app/api/pricing/route.ts	13–14	Rates are not published yet. Please call or WhatsApp us for today's price.	API
src/lib/todos.ts	33	TODOS: Owner input required (checklist #N in docs/BUSINESS_INFO.md).	Default TodoNotice fallback
src/components/marketing/todo-notice.tsx	12	Pending owner confirmation	All TodoNotice instances

Pending FAQ cards (Home only)

Defined in `src/components/sections/faq-section.tsx` lines 10–15; each renders Answer pending owner input (checklist #N).

Question	Checklist #	Item key
What are check-in and check-out times?	#4	checkInOut
Is parking available?	#6	parking
Do you have Wi-Fi?	#7	wifi
What is your cancellation policy?	#5	cancellation

Placeholder images summary

Asset / component	File	Used on page(s)	Notes
PhotoFrame (exterior)	photos-section.tsx:32–35	/, /gallery, /rooms/deluxe-ac-room	Dashed box, no image file
PhotoFrame (room)	photos-section.tsx:37–40	same	same
PhotoFrame (bathroom)	photos-section.tsx:42–45	same	same
PhotoFrame default caption	photo-frame.tsx:18	Any frame without custom caption	Photos coming from the family — WhatsApp us for recent pictures.
Map embed box	map-section.tsx:35–39	/, /location	Dashed 16:9 box, no iframe
OG/Twitter image	opengraph-image.tsx	All pages (social)	Branded typography card, not a property photo
Style-guide specimen	style-guide/page.tsx:202	/style-guide	Design reference only

No stock image files exist in the repository.

Shared content file gaps

File	Line(s)	Text	Referenced on
<code>src/lib/site-content.ts</code>	14	We have not published our walking distance to the beach — confirm that on WhatsApp once the owner provides a map pin.	Home, /location
<code>src/lib/site-content.ts</code>	21	Travel times from Silver Sand are intentionally omitted — no confirmed pin.	Nearby attractions

Hardcoded prices / phone / address audit

Value	Location	vs BUSINESS_INFO.md
-------	----------	---------------------

+91 99862 22892 / +919986222892	src/lib/business.ts:10–12	Match (confirmed)
₹500 extra bed	scripts/seed.ts:38 only	Owner-supplied; per-night vs per-stay not confirmed (#13); not shown until published
Street address / PIN	—	Not published anywhere (correct)
Occupancy nightly rates	—	Not seeded ; public UI shows enquire-only state
No hardcoded ₹ in React src/	no-hardcoded-prices.test.ts	Passes

Checklist items with no UI surface yet

These keys exist in `src/lib/todos.ts` (OWNER_CHECKLIST) but no TodoNotice or page copy references them:

#	Key	Topic
#9	reviews	Genuine reviews
#10	gbp	Google Business Profile
#14	guestCountRules	Rules for 1 / 5 / 7 guests (partially mentioned in answered FAQ only)
#15	unitCount	Number of Deluxe AC units
#17	gst	GST / tax inclusive
#18	domain	Domain DNS / registrar control
#19	registration	Legal / homestay licence
#22	otaPolicy	Which OTAs to keep vs de-emphasise

Appendix A — docs/BUSINESS_INFO.md still unknown / unverified

Not provided by owner

#	Item
—	Occupancy nightly rates (2/3/4/6/8)
#1	Full postal address
#2–#11	Photos, amenities, policies, GBP, coordinates, reviews (grouped in doc)
#12	₹ nightly for each occupancy tier
#13	Extra bed: per night? max beds? which occupancies?
#14	Rules for 1, 5, 7 guests
#15	One room vs multiple Deluxe AC units
#16	Meals policy
#17	GST / tax inclusive
#18	Domain registrar / DNS control

#19	Legal / Karnataka homestay registration
#20	Host name(s) and languages
#21	House rules (couples, ID, police rules)
#22	OTA policy

Unverified OTA claims — must not publish

- Naveen Beach Road / Mavalli / PIN 581350
- Sea view, terrace, garden, free Wi-Fi, continental breakfast
- No front desk; private entrance; check-in from 12:00; min age 18
- OTA listing claims (MakeMyTrip, Agoda, etc.)
- "2.0-star" / "2 room types" from low-quality mirrors

Ambiguous confirmed value

- **₹500 extra bed:** owner-supplied but unit of time not confirmed; code treats as per person per night in seed/model.

Appendix B — Explicit code TODOs (developer comments)

File	Line	Text
src/lib/todos.ts	33	TODO: Owner input required (checklist #N...) — returned by todoMessage()
src/lib/seo/faqs.ts	10	Q&A we can stand behind without owner TODOs.
src/lib/seo/faqs.ts	52	FAQPage schema must use this list — pending owner questions are UI-only.
src/components/ui/photo-frame.tsx	13	Replace with next/image... when the owner supplies photos.
src/app/opengraph-image.tsx	9	Replace with a real owner photo once one exists.

Report only — no changes made.
